

The Susquehanna Art Society has been in existence since 1979 and provides a common meeting ground for artists in the central Susquehanna Valley of Pennsylvania. We seek to increase community awareness in the visual arts of painting, graphics, sculpture, photography, and other traditional and contemporary fine art mediums. The membership is largely made up of practicing artists, both amateur and professional. We also welcome anyone who has an interest in art activities and promotion, but who may not be a working artist.

MEMBERSHIP CARD: When you pay your \$15 single membership or \$20 family membership dues, you will receive a membership card through the mail or in person. By showing your up-to-date membership card, you will receive discounts at the following businesses:

- 15% off purchases at Michaels Arts and Crafts, Monroe Marketplace, Selinsgrove, PA (including both regular and sale prices). Because Michaels is a larger venue, you may need to explain to cashiers (at first) that SAS members receive the same discount as educators.
- 15% off framing at Sora, Lewisburg, PA
- 10% off purchases at Brushstrokes, Lewisburg, PA

Every membership card expires December 31st of each calendar year no matter when a member signs up and dues for the following year are expected to be paid by January. If paying later, you may miss out on the membership perks shown above. We retain the right to alter perks at any time as deemed necessary.

Fill out this form and mail to Treasurer John Troxell. You will receive a membership card with the expiration date of your membership on it. Keep your card.

I/we want to join the Susquehanna Art Society and give permission for any art/photos supplied during the course of membership to be shareable on our website, through Facebook posts, and/or in our newsletters and related. I/we agree to receive email correspondence for all of the latest updates.
